West The swanky new Italian steakhouse atop the former Holiday Inn, now known as the trendy Hotel Angeleno, will actually make you fall in love with the 405 freeway (as long as you can avoid the freeway getting there). The view of traffic lights at night from high above is strangely beautiful and relaxing. The steaks are top notch. And the lounge is fun. 170 N. Church Ln., L.A., 310.481.7878 \$\$\$\$
